 - 1. Brian Moran, N9ADG, Editor of the ARRL Contest Update Newsletter. Brian is a great contester and has been on several DXpeditions, including Mellish Reef. He lives in Kirkland. Would ask him to do a program on "Hints for Contesters". He is a very good friend of mine.
 - 2. Mike T Ritz, W7V0, President of WVDC. He presented at SeaPac on "Noise on the Bands and How to Tame It" and I heard it was very good. He is running for ARRL NW Division Director, but we would be having him after the election.
 - 3. Mark J Tharp, KB7HDX, Section Manager for Eastern WA for ARRL. Lives in Yakima. I don't know Mark very well, but it seems it would be good to have him sometime.
 - 4. Mike Mraz, N6MZ, Frequent speaker at DX conventions. Lives in Bellevue, WA. Operated at K1N, VP8ORK, K5D, BS7H, ZL8R, VP5W, FT5X0, XR0X, 9M600, KH9/N6MZ, ZK1XXP, VK0IR, FT5XM, T00R, SV5/N6MZ, etc. I have run the AV for Mike a number of times.

- 16) appointment of nomination committee will be worked on by the president over the next month, for our November election of 2019 officers.
- 17) BOBF proposal for under the Pacific NW DX traveling trophy cup.
 - a. there is a proposal being presented to the officers of the IDXA and SDXA:

Proposal: Let's compete against each other, SDXA and IDXA, using basically the same rules as the bigger overarching competition.

1. The Trophy Hunt scores will be the official ones
 2. Because we are always floundering at the bottom, the name of our competition will be the "Battle of the Bottom Feeders" (to be known as BOBF) and the mascot will be a flounder because that fish is also a bottom feeder.
- a. more discussion to come.
- 18) k7sdx.no-ip.org:7300 cluster is working fine, though the renewal notice just arrived for the 'no-ip' domain name. it is about \$25 / year. due to aging cluster and many others around, the fed back from the membership was to let the domain name expire. then to connect you will have to using the IP address which could change as Comcast changes. contact wa0www if you want to be notified of the IP changing.

19) Field Day 2019. Inviting other clubs

- a. not really discussed at the September meeting, due to we ran out of time, but want to keep on the discussion list and more to come over the next months.
- b. It seems a number of groups in the Spokane area are having a hard time putting together a decent field day. we have not for several years and the ARES group this year had a small turnout.
- c. Discussion: it has been brought up if the SDXA should approach the ARES group and VHF club about doing one together next year (Maybe even KBARA). We work together on the Hamfest.
- d. we have some great HF equipment for a field day. This might be a good opportunity to get a number of hams who currently only use VHF/UHF on HF.
- e. We could setup a station to just let hams have their first HF/DX contact.
- f. I think there are two approaches we might consider:
 1. Doing it in a public place to expose knew people to ham radio (Community College, Gonzaga, Park)
 2. Doing at a location for great propagation
- g. The dates for 2019 are June 22-23.
