K7SDX - Spokane, Washington

PO Box 28882 - zip 99228

SDXA - 05 july 2012

the june 2012 meeting was called to order by our president WA1PMA, Wayne, at 19:00 local.

secretary's report by WA0WWW, the june minutes (thanks K7AWB) are on our site:
<http://www.sdxa.org/?cat=10>

treasurer's report by K7GS, Gary; income was \$ 40 dues - expenses were \$145 for the FD porta potty and NCDXF yearly donation. the CD was cashed in also, for use with the convention next year.

VP's report by WX7B, the next meeting will be in sept and will be back here. (you not on my good side Chris, w)

- ❖ August meeting is cancelled due to the Annual Summer picnic

old business:

- Field Day is in the books. we earned 370 bonus points and had 310 QSOs with 12 operators. the entire time we were up, we had at least 1 (usually much more), so great participation. the goals for the year were met, with the exception of the lightning and some wind sunday morning.
- 03-05 August is the Portland DX Convention. So far 9 SDXA members and their wives have signed up. (see below for more)
- 26 august, sunday, 11am to 3pm: the summer picnic will be at south end of Franklin Park (N. Division and Queen - near Northtown Mall). this was the only city park opening left all year and we did get our permit.

new business:

- Bob, N7AU, let us know about an annual pig roost on 21july in Springdale at the home of K7KUH, Ray (5149 ROSEHILL ROAD SPRINGDALE, WA). something will be sent out on our google group. (sounds like a great time and good food.)

announcements:

- the announcement is out for the 56th annual Pacific Northwest DX Convention sponsored by the Willamette Valley DX Club, from August 3-5, 2012 at the Monarch Hotel and Conference Center, Clackamas, OR. \$75 for the whole thing, which is lower than this convention the past few years and we may need to think about what to do about ours 'next year'. Questions? Contact Al Rovner, K7AR at k7ar@arrl.net. more information is available at www.wvdx.org.

Soapbox : the goal was to have folks come out and enjoy the weekend in the field, with some operating for all those that wanted to, that was accomplished. rain and lightning was a challenge sunday morning, but we worked around that.

I have observed all competition rules as well as all regulations established for amateur radio in my country. My report is correct and true to the best of my knowledge. I agree to be bound by the decisions of the Contest Committee.
