SDXA - 11 july 2013

the july 2013 meeting was called to order by our president WA1PMA, Wayne, at 19:00 local.

secretary's report by WA0WWW, june minutes are on our site:

<http://www.sdxa.org/?cat=10>; also reviewed upcoming DX and contests.

treasurer's report provided by K7GS, Gary; income was \$0 - expenses were \$105 for the Field Day porta potty. total is doing fine. the convention account is high as it should be now, as expenses are just starting.

VP's report by K7TQ, Randy, doing fine.

old business:

- SDXA is hosting the 2013 PCNW DX convention 02-04aug, again at the Mirabeau.
 - new - Icom came through with a IC 7410 HF-6m radio for a raffle prize, this makes 4 raffle prizes. raffle tickets will be \$1.
 - the other raffle prizes, SteppIR is donating \$1000 gift cert, Yaesu's FT-950 and IDXA's Hustler 5BTV vertical.
 - all the speakers have confirmed and K7TQ ran through them.
 - 140-ish registered already, we could be close to our first year of 166 which is a record for the Pac NW DX conventions
 - AE7MV, Dave, announced he and Mary Beth will need some help to sell raffle tickets at the convention.
- field day, by AD7XG Gary and W7VI Steve who volunteered to lead field day.
 - we had a great time, great wx, the equipment went together well. the seats were filled all but the wee hours of the morning.
 - W7VI has the club's Titan and is getting it all fixed up.
- the 3rd thursday DX net on the 2-meter repeater was light in attendance but good topics were discussed. next week is the next.
- club picnic for this year will be saturday, 24 august, up at W7AL, Al's. he is near Sandpoint. it will be the normal 11-3pm. his address is good in QRZ.
 - potluck - please bring a dish to pass, salad or dessert. bring your own soda if you want it. (hwy 2, mile markers 23 and 24, by snug harbor)
- ❖ remember
 - #2 - we decided that there will be no august meeting, considering the convention that week and the picnic that month.

new business

- started a discussion on how to deal with repair and replacement when a personal item is used by the club and something happens to it. several years back the club would not take responsibility for the personal items, though now several are thinking the club should take responsibility.

- e.g. if the club specifically asks to use a piece of equipment is that the distinction when the club would take responsibility, otherwise, the responsibility remains with the person providing the personal item?
- some suggested a quick written note (or email) to show the specifics so no question.
- the officers - by the next meeting - will put together a motion to work from at the meeting.

announcements:

- from WA7LT, LaMar: As you probably know Elvin Miura, JA3CZY, will be in town and will be at the Spokane DX Convention on August 1, 2 and 3. As his time is very limited, LaMar and W7ZNN, Don has set up luncheon for the folks that know Elvin, and then the folks can meet Elvin at the convention.

the program:

- Dan N5AR presented topics of Yagis, chokes, preventing coax line radiation and a few other things (I learned a few things, thanks Dan.)

next month:

- will be the annual picnic at Al's W7AL, 24aug, 11:00 - 15:00 local.
- respectfully submitted by wa0www jay w;
- and the great coffee and snacks from AE7GT and AC7MV, Mary Beth and Dave.
