

## Spokane DX Association

K7SDX - Spokane, Washington  
PO Box 28882 - zip 99228

### **SDXA - 05 sept 2013**

the sept 2013 meeting was called to order by our president WA1PMA, Wayne, at 19:00 local.

**secretary's report** by WA0WWW, july minutes are on our site:

<http://www.sdxa.org/?cat=10>; also reviewed one contest coming up, the CQ WW RTTY is the same weekend as the Spokane Hamfest.

- not mentioned: but don't forget about the SDXA marathon and only 2 months left:
  - [results on an official spreadsheet to SDXA secretary by: 14 november, 23:59z](#)

**treasurer's report** provided by K7GS, Gary; income was \$138.00 (dues and refreshments) - expenses were \$250.23 (dues and supplies). for the convention books they are closed and we were black, not as black as before, but met our goal not to loose and we have seed money for next time. the overall total is doing fine.

- question: how do we support DX peditions when asked? → the answer is we donate and support the N. CA DX Foundation and then they divvy out to the different DXpeditions.
- for our convention Paypal, we will keep it and connect it to our normal account, then we can have dues submitted via pay pal.

**TU:** the prez said a big thank you to Randy, K7TQ, for all he did to keep the SDXA in the rotation for the DX conventions and the tremendous job he did with the convention, a wonderful success. Thanks Randy!!

**VP's report** by K7TQ, Randy; he focused on the convention. 164 paid attendees, 2 less than 2009 which was a record for all the PCNWDx conventions. a lessons learned is to account up front for a 19% service and sales tax charge for hotels that added up. Randy went on with a few more lessons learned and also thanked his convention staff for all they did. on to 2017.

### **old business:**

- the 3<sup>rd</sup> thursday DX net on the 2-meter repeater had 7-8 check-ins and some nice topics were covered.
  - point of note is there are 7 to 8 multi-op DXpeditions coming up in the next few months. watch the links that are on the SDXA web page. there are some good ones.
- the club picnic for this year was at Al and Cheri's (W7AL) a few saturday's back and wow what a beautiful home and setting. although the restored equipment was the secretary's highlight. and we should be see the HDX-89MDPL tower up before winter. thanks Cheri and Al.
- last meeting we started a discussion on how to deal with repair and replacement when a personal item is used by the club and something happens to it.
  - WA1PMA, Wayne, read a proposal, then we had some general discussion on

- it, some pro and con, some for it some not for it.
- one suggestion is should we look at other clubs and see what we learn.
- at the officers meeting earlier, it was suggested it should go in the by-laws, this was mentioned and no one agreed or disagreed. to make changes to the by-laws it is to be brought up at a meeting (this meeting) and then voted on by a quorum at the next meeting.

**Section 1** The Bylaws shall provide for regular and special membership meetings. One quarter (1/4) of the members in good standing in attendance at any meeting shall constitute a quorum for the transaction of official Association business. (today we have 44 voting members, so a quorum is 11.)

#### **ARTICLE VII - Amendments**

**Section 1** The Constitution and/or Bylaws may be amended by a two-thirds vote of the voting members present at a regular meeting. Proposals for amendments offered shall be submitted and read at a regular membership meeting, and shall be discussed and voted on at the following regular membership meeting.

- the proposal:  
Should the Club, SDXA, need to use an Item from a members personal inventory as there is no other way to proceed without it for a club function, a decision will need to be made by the officers of SDXA in writing to agree to cover the cost of repair and/or replacement of such item if it is damaged while being used for the SDXA's event. This means the Officers of SDXA have to agree on an item or items use as well as the fact the club can afford to repair or replace the item as needed. This does not supersede or replace any member's general agreement from bringing something for use during Field Day or any other event at the members own wish to do so. Every member needs to fully understand that anything not covered in writing has no warranty from the club nor is the SDXA to be held responsible for any such usage.
- The Spokane Hamfest / WA State convention is coming up quick, saturday the 28<sup>th</sup>. very much like the past years. the prizes are: 1st Prize: ICOM IC-7000 All Mode HF/6 Meters + 2 M + 70 CM Mobile Transceiver;  
2nd Prize: Kenwood TM-D710A 2M/440 Transceiver APRS/TNC GPS/Echolink Ready;  
3rd Prize: Yaesu FT-60R 2M/440 HT Transceiver with Wide RX; need not be present to win
  - The IEVHF Radio Amateurs have graciously donated as door prizes 3 Baofeng UV-5R dual band HT's.
  - the hamfest committee approved and purchased a few more door prizes: For detailed information go to the Arrow web page <http://arrowantennas.com/>
    - 1 model 146-3 two meter hand held Yagi: \$49
    - 1 model GP-146/440 two meter 70 cm ground plane base antenna: \$39
    - 1 Kenwood TM-281A 2M 65 W \$139.95
    - Total about \$230, without tax & shipping.
  - SDXA had a couple of door prizes left from the convention and the officers are okay to donate to the Spokane Hamfest.
    - The items available from the convention are a DVD video titled "The ARRL Film Collection" and a certificate for N3FJP logging software.
  - next we need to get the schedule going for the admissions table. who can help and when are better times for you? and let jay , wa0www, know anytime if you can help out, we need more, between 7:30 and 12:30 that saturday. so far:

- WSX7B - anytime, early is okay; K7GS; W7AL; WA1PMA  
after card checking.
- also on the list so far: KI6DER, Tom; KF7JJC, Roger

### new business

- WA1PMA brought up also that for the Pac NW Dx Traveling Trophy Challenge Cup, it was voted on at the DX convention by the current clubs in the competition, to include the IDXA, Idaho DX Association, that is based out of Lewiston and beyond. <https://idxa.org/PNWDX.html>
  - what was decided is that they would enter the competition and have their own scores, however at the end for the Cup itself, their scores would be added with the SDXA scores to give us a better shot.
- AE7GT, Mary Beth and AC7MV Dave are heading for CA and they will be operating from the Queen Mary, W6RO. see our web page for times and it would be fun for a bunch of SDXA folks to connect up with them.

### announcements:

- the club received a letter from N7RO - with a big TU for the convention. he is also looking for input on using remote stations for DXCC from the DXAC.
  - This is controversial and any thoughts you have please send to [n7ro@q.com](mailto:n7ro@q.com) or [n7ro@arrl.net](mailto:n7ro@arrl.net).

### the program:

- Don Daso, K4ZA, who many of you will recognize as the author of the Workshop Chronicles column in NCJ, has edited and collected the experience, wisdom, and opinions of 50 of today's testers in a 2 hour and 49 minute video. At the SDXA meeting we watched selected portions of the video.
  - Even though there was some emphasis on contesting, contesting can still be used w.r.t. a "DX Totals Increasing Season".

### next month:

- next month's (and november-sorry...) meeting will be **at the Argonne Library on Argonne and Up River Drive in the valley phone 893-8260** (4322 N. Argonne Road in the Spokane valley.)
  - the program being considered is a previous DXpedition that was where some of the ones coming will be. stay tuned.
- respectfully submitted by wa0www jay w;
