

## Spokane DX Association

K7SDX - Spokane, Washington  
PO Box 28882 - zip 99228

### **SDXA - 06 mar 2014**

the march 2014 meeting was called to order by president WX7B, Chris, at 19:00 local.

**secretary's report** by WA0WWW, last month's minutes are on our site:

<http://www.sdxa.org/?cat=10>;

- WA7LT, Lamar moved; W7VI 2<sup>nd</sup>; to approve the minutes as posted on the web site, motion passed
- minutes may be on the home page for the first month, then move to the link above.

**treasurer's report** from K7GS, Gary; income was \$105.97 (dues and refreshments) - expenses were \$520.27 (hamfest, cookies and CIV interface for station #3)

AC7MV, Dave moved; W7BHP, Dick 2<sup>nd</sup>; to receive the treasurer report. motion passed.,

**VP's report** by AD7XG, Gary; see below about FD.

### **old business:**

- 1) WX7B, Chris, brought up and reminded all we are still in need of a membership chairman. if anyone is willing, please let one of the officers know.
- 2) wa0www, jay, reported on the Spokane Hamfest 2014 is in prep. the next committee meeting comes up on the 11<sup>th</sup>. the prizes were selected:
  - i. 1st prize: ICOM IC-7100 mobile hf, 6m, 2m, 70 cm, touchscreen, D-Star ready
  - ii. 2nd prize: Kenwood TH-D72A dual band 2m 70 cm transceiver with integrated GPS/APRS
  - iii. 3rd prize: Yaesu FT-60R 2m/440 ht transceiver
- b. we also received Washington State Convention status, from the ARRL.
- 3) field day.
  - a. AD7X, Gary, reported that FD this year will be in Davenport. he is taking inventory of what the club has and will plan a few trips up to Chewelah to get all the towers, antennas, etc.
  - b. will be using the verticals and have to figure out what to do for 80m.
  - c. W7VI, Steve, has the parts for the Gap Titan and it will be ready.
  - d. WA7TNT, Dave, has joined the FD committee.

### **new business**

- 4) W7TJ, Randy, shared several things.
  - a. propagation: feb was a new solar flux high in the current cycle and we all are enjoying 10M, it is actually open.
  - b. safety: we all need to be careful with all we do. for those with crank up towers we need to remember they are special and have to be treated with respect. we don't want to see any more accidents like the unfortunate one in Idaho.
  - c. 2 meter net: has been very light attendance and we need to look at what

to do to pick up the participation.

- i. for those on the outskirts, there are high gain 2 meters antennas that will work.
- ii. maybe we need to look at rotating the net control, like some previous nets we have had.
- iii. should we consider a different day? maybe sat. morning?
- iv. N7AU, Bob, mentioned there is a nice net on 3808kHz - 09:00 local sat and sun, that is good.

5) 7QP

- a. we were approached to sponsor a 7QP plaque again this year. it was a short discussion and all agreed we should.
- b. W7VI, Steve moved; AC7MV, Dave, 2<sup>nd</sup>; that the SDXA should spend the \$37 to sponsor a 7QP plaque, of officers choice for which category.

6) W7AL, AL, brought up a good point about if you need help with anything with radio; operating, logging, equipment, antennas, just anything, send out the request. we have lots of folks with different expertise, this part of the hobby.

7) W7BHP, Dick, brought up he has learned about a SK site and will start to add some from our group. Dick will let us know more through the google group when he has some of our ex-members on the site. at that point anyone can go to the site and add things you know about them.

- a. you can google for: National Silent Key Archive

8) K7AWB, Steve. commented there was an upgrade or something at google that reset some folks in our google group. if something is not as expected let one of the officers know.

#### announcements:

9) kd7oct Loren Kirsch, has become an SK. he was very active with the club early on, was an officer and more.

#### the program:

10) the program was

1. Open discussion of logging software. What are the most used programs? (lots of personal preferences..., so just most used...)

- was a little too focused on N1MM, which is what we will use at FD.
- we should get some live demos of N3FJP and HRDeluxe also.

2. The data computer interface: FSK with interface or true FSK via cable connection. WA0WWW had the SDXA station #3 straight cable interface that has FSK, CW and PTT.

#### next month:

11) next month's meeting will be at the Argonne Library on Argonne and Up River Drive in the valley phone 893-8260 (4322 N. Argonne Road in the Spokane valley.)

- o The program is tbd

12) respectfully submitted by wa0www jay w

13) and the great coffee and snacks from AE7GT and AC7MV, Mary Beth and Dave.
