## **SDXA - 02 april 2015**

the monthly meeting was called to order by president wx7b, Chris, at 19:02 local.

<http://www.sdxa.org/?cat=10>;

motion: wa6aea moved to approve last month's meeting minutes; n7za 2nded; motion passed.

**treasurer's report** from AE7GT, Mary Beth; we had \$93.02 (dues & refreshments) income and \$0 expenses ().

motion: w7al moved to receive the treasurer's report; wa7lt 2nded; motion passed.

**VP's report** by ad7xg, Gary; tonight will see 3d2r dvd.

### **old business:**

- 1) 147.08MHz repeater for our dx spotting and net.
  - a. nothing new on the noise. (others from the ID group talk about it also.)
- 2) summer picnic at Cheryl's and Al's: date is set for saturday 15aug, thanks Al.
- 3) contests: the secretary ran through the list below.
- 4) Hamfest 2015, is going well.
  - a. The raffle prizes were chosen: the ICOM IC-7100 (mobile HF, 6M, 2M, 70CM touchscreen DStar DV) for \$1,200; the ICOM IC-2300H (65W 2 M FM mobile) for \$190; the Yaesu FT-60R (2M/440 HT) for \$150. The total cost is about \$1,540.
  - b. next committee meeting 28april.
  - c. as a club we need to do our part and sell some raffle tickets, wa0www will bring some at the next meeting, for us to sell.
- 5) PacNW DX convention is coming up in Everett. SDXA has been light on attendance in past conventions, would be nice to see a few go.
- 6) 2017 Pac NW DX convention is our turn and we have to do the final commit at the convention this year.
  - a. being this can be a major contributor to our funds, and we want to spend on dxexpeditions, we need active participation from the membership and we had a very nice show of hands that have committed to help: wx7b, ad7xg, k7tq, k6mw, w7al, wa0www, w7tj, ae7gt and ac7mv. there was another that is a possible. thanks all, this will really help.
  - b. we will need to coordinate with the IDXA as when they joined the Pac NW DX clubs, the discussion was they could help at ours. will need to work through what portion they can do and how all that will work.
  - c. w7al asked if there could be a separate raffle, maybe \$10 tickets for something special he has in mind. **this is a fantastic idea Al, thanks.** we will look into it.
  - d. after the meeting Randy, k7tq, volunteered to chair the 2017 Pac NW DX convention in Spokane. will confirm at the next club meeting. **a THANK YOU to Randy.**
- 7) Gary, AD7XG, will be doing Field Day last year at his place w/Steve W7VI.
  - a. talked about the generator. Gary checked it out and the 120v is perfect and the 220 across the 2-wire is perfect, but to the neutral is a bit lopsided, maybe why it shows a natural fault on the test meter, question mark?

- b. w1pma, working with generators, says these are generally 2 wire 220v, not the 3 wire we are use to in a house or bigger generator, so could be normal.
- c. so we determined our generator is just fine, considering that probably it is a 2 wire 220v, which does work fine. it starts up easy and purrs nicely and we only use the 120 anyway.
- d. however, Al, w7al, reported he has a 5kw generator he would sell the club. we had a short discussion that then we could have 2 good ones, 1 for a backup.
- e. motion: wa7lt moved we buy the backup generator for \$250, n7thm 2<sup>nd</sup>. there were some votes against but more for it. motion passed.

8) card checker status:

- a. N7ZA, Bruce Wade has been approved to check cards on this side of the state, he was a card checker on the other side before moving here recently. **Thanks Bruce!**

9) committee report on dxpedition donations:

- a. volunteers for the committee: w7vi, k6mw, wx7b, wa0www, and they met before the general meeting.
- b. learned over the past 5 years the club has only come out \$32 black per year, when you look at the dues and swapfest income and our nominal expenses. this was pulling out the 2013 convention and buying the laptop last year.
- c. had a notable discussion on our income, how the convention \$s are no guarantee for different reasons, do we want to spend down our nest egg, etc.
- d. even considering the laptop, convention and now the generator that would still only give us about \$350 per year in the black.
- e. we also discussed what is our recognition and it is different for different dxpeditions, some none, some buried in a long list and some maybe our logo.
- f. and last is if the club donates and not the individuals, the individuals don't get their instant LOTW or QSLs that many want.
- g. so the initial committee proposal was to seed a DXpedition fund with \$500 from the club and look at the top 10, after discussion maybe top 20, most wanted and dynamically pick out which to donate too with what is in the dxpedition fund.
- h. a key with the fund is anyone and everyone could donate more into the fund to help support the SDXA contribution.
- i. in the end most of the nods from the folks was this has possibilities.
- j. the committee will meet again next month and try to rough out a more formal proposal.

10) SDXA marathon is on-going and some are going for it, beware. (mentioned)

11) club DX 2meter net report - by Randy W7TJ

- a. fewer check-ins last month.
- b. as an association we decided the april net will be the last one for the season, and will start up again in september.

**new business**

- 12) the NCJ very nice donated library needs a home and after some discussion, we decided it would be better sell it and ebay could be a good place to find collectors. W7AL took them and will see what he can get for them on ebay.
- 13) with us wanting to spend more money than we nominally take in, an idea was quickly mentioned, maybe folks could donate stuff to sell at the hamfest, with \$s going to the club, e.g. the DXpedition fund.
- 14) k7thm presented a very nice Thank You Elmer award to Al, w7al. Al has gone over and above helping Jim get going again.
- 15) the SDXA is sponsoring a 7qp plague again this year and have made sure it is for solo

digital high score. (to avoid the problem from last year.)

16) our yearly club insurance is due, will be \$200 again. our treasurer will get the premium paid.

17) 2 books were donated to the club's library from Dave, AC7MV. thanks Dave.
