K7SDX - Spokane, Washington

SDXA - 03 oct 2019

the monthly meeting was called to order by prez ad7xg, Gary at 19:00 local.

the program: **our own Bob Hallock, K7TM, shared a number of Hints and Tips:**

1. DXpedition Card. Bob has developed a card for keeping track of DXpeditions. This is a fabulous tool for keeping on top of all needed DXpeditions and new countries. The minute Mel saw this tool he adopted it for his station. We will have samples available for you to take home and Mel will get it on the SDXA web page also.
2. Spotting Networks. Bob uses Spotting networks very effectively. Hear about his style of using spotting networks.
3. Quartzite. Bob will tell about his experience at Quartzite.
4. Activating Counties. Bob has activated every county in Idaho, Washington and Montana, plus many in Wyoming, Utah and California. Learn more about this fun part of the hobby.
5. Station overview. We had a chance to look over Bob's station and antenna farm. He uses wire antenna's very effectively.
