

The Flounder Cup Competition 2019-2020

The second Flounder Cup contest of the season has been completed and the third one is just around the corner in November.

CQ WW DX SSB

The CQ WW DX SSB began 0000Z October 26 and ended at 2359Z October 27. SDXA took this one handily by a very wide margin of 508,418 to 32,452 for IDXA. Twelve SDXA members participated compared to four for IDXA. The great showing by SDXA also put them in the lead in the Per Participant Division.

Mel, N7GCO, of SDXA claimed the bragging rights for the High Individual Score with 198,810 points, more than six times the IDXA total! His 3830 report says he was assisted, all band, high power, and perhaps most important, Mel operated for 30 hours. Persistence pays! Eight of the Top Ten Scores were by SDXA.

The exchange we will send is RST, always 599 even if you can barely hear the other station, and CQ zone number which is 3 for WA and ID. The exchange you will receive will be RST, also a 599, and a Zone number. All the rule details are at
